

VETS THAT TREAT POTBELLY PIGS – UPDATED APRIL 2024

DISCLAIMER: Word of Mouth Only, you must do your own background check. These references have been recommended by various potbellied pig owners who have used them. Not all NWMPA Members, NWMPA Officers nor NWMPA Board Members can verify their level of expertise in treating potbellied pigs. Ask the Vet for pricing and if they will disclose referrals of potbellied pig owners he or she has had as clients; ask if you can contact the clients. It might be helpful to also check YELP REVIEWS for vets you plan to use.
